Move-Out Checklist

On behalf of all our residence hall staff, we want you to know that we have enjoyed being your partners in making this semester a success. Here’s what you need to know about quiet hours and spring move-out.

Quiet hours are May 2 – May 17
• Quiet hours are 24–hours per day for two weeks.
• Start time: 1 a.m. Saturday, May 2.
• End time: 10 a.m., Sunday, May 17.

Please be courteous to your neighbors by observing this period. Good luck with finals!

Last time to check out is May 17, 10 a.m.
• The last time to check out is Sunday, May 17, at 10 a.m.
• Heavy fines and even conduct sanctions apply.

On Sunday, May 17, 2015, at 10:00 a.m., all campus Residence Halls will be closing for the summer and all student residents must leave the buildings. If you don’t make that deadline, a charge of $100 per day will be assessed, along with potential conduct sanctions. Unfortunately, no exceptions can be made for you to remain beyond that date. Please make appropriate plans.

Take all personal belongings
• You can’t get back in, even for an airline ticket or jewelry!
• All belongings left behind will be disposed of.
• Discard fee and cleaning charges apply if the space is not completely vacated.
For safety and security, student residents will not be allowed to enter the Residence Halls to retrieve or deposit personal articles after the halls close, so be sure to pack everything you need, most importantly your valuables. All entrance locks will be changed to prohibit access to the halls.

All objects left behind will be considered unwanted and will be appropriately discarded. A move and discard fee of $100 and cleaning charges will be assessed if you have not completely vacated the space and it is not suitable for an incoming resident. The University assumes no responsibility for items left on the premises.

Early departure
- Checkout envelopes are in the Unit Office.
- Place your key(s) in the envelope and then into the Unit’s key drop box.
- Lost key charges may apply if keys are not properly returned.

If moving out early or during non-business hours, obtain a checkout envelope from the Unit Office. Place your key(s) in the envelope and then into the Unit’s key drop box. If keys are not left in the drop box, you are at risk for lost key charges.

Graduating seniors
- Graduating seniors may be allowed to stay until after graduation.
- If you want to stay, you must contact your RD or Unit Facilities Manager by April 3.

Graduating seniors living in the halls may be allowed to stay in their current room assignments until after their graduation. If you need special accommodations, you must contact your RD or the Unit Facilities Manager by Friday, April 3, 2015.

Summer session students
- You might be able to stay in the halls beyond move-out, through summer session.
- Check with Summer Session Housing Office to make sure your name is on the list.

Unit managers will receive a list of current Unit 2/Maximino Martinez residents attending Summer Sessions A or A+D by May 1. Please contact the Summer Sessions Housing Office at summerhousing@berkeley.edu to ensure your name has been included.
